

Name Of Trail Loop: Arizona Trail 101 and Forest Road 205 Loop

Passage And Location: Kaibab Plateau Central Passage 41; east of Jacob Lake

Length Of Loop Trail: 14.0 miles

Option: Returning on AZ 67 and US 89A thru Jacob Lake: 19.5 miles

Loop Trail Description: Ride south on Arizona Trail 101. After 6.7 miles the trail will cross FR205. Turn right/northwest onto FR205. Follow 205 north back to the trailhead. At about 1.4 miles south of the trailhead, one could take FR200A to the left/southwest to Jacob Lake, then US89A two miles to the trailhead.

Option: Continue past FR205 for another 1.5 miles meeting FR205 again. Turn left/west onto FR205 for about 0.3 mile. At AZ67 turn right/north. Jacob Lake is about 9 miles north. To return to the trailhead, take US89A two miles northeast to the trailhead.

Recommended Seasons Of Use: Spring, Summer, Fall

Elevation Start: 7523'

Elevation Gain/Loss: 1031' Option: 1088'

Access Point: The US89A/Orderville Trailhead is about two miles northeast of Jacob Lake on the south side of US89A.

Water: None. For up to date details on water sources please visit the Arizona Trail Water sources at <https://aztrail.org/explore/water-sources/> and even use the Arizona Trail App <https://aztrail.org/explore/maps/mobile-app/> which has user comments about the status of water sources.

Notes/Warnings: There is a café/bakery/gift shop at Jacob Lake. FR205 has occasional traffic. Caution would be required for riding on highways. For specific turn by turn information on the Arizona Trail visit the Arizona Trail databook <https://aztrail.org/explore/databooks/> and even use the Arizona Trail App <https://aztrail.org/explore/maps/mobile-app/>
