

Arizona Trail Data Book - Northbound

as of 12.15.2023

If there are any corrections, additions, or edits please send an email to Aaron Seifert at aaron@aztrail.org

The Arizona Trail Association provides this information as a service to the community. The ATA cannot, and does not, guarantee the accuracy of any of the information. Water and trail reports are only accurate for a limited time. Some information will not be accurate. Trail conditions and water sources may change quickly. Trail conditions are also highly subjective. What is passable to some may not be passable to another. The user of this information is solely responsible for their own safety.

Column Headings and Code Definitions/Abbreviations

Landmark: brief description of trail at this location. **Facilities:** features at this location **Direction Codes:** N, S, E, W

Facility Codes: **All**-All Services; **PO**-Post office; **G**-groceries, stores, supermarkets; **M**-meals, deli, restaurants; **L**-Lodging, motels, hotels

m-miles; **comma**-facilities separated by comma are in same location: e.g., PO, w3, G 0.3m N means that post office, fairly reliable water, and groceries are 0.3 miles north; **semicolon**-facilities separated by semicolon are not in same location: e.g., w2; G 0.5m NW means probable water nearby and groceries 0.5 miles northwest

Water Codes: **w0**-not reliable or none; **w1**-seasonal or "iffy"; **w2**-probable; **w3**-fairly reliable; **w4**-very reliable source

(in 2020 water status no longer updated - see <https://aztwaterreport.org/> or use the Arizona Trail App at www.aztrail.org/explore/maps/mobile-app/)

Trailhead Codes: **T1**-Auto & Trailer; **T2**- Auto only; **T3** - Roadside parking; **T4** - 4 wheel/high clearance

Additional Abbreviations: **TJ**- trail junction; **TH**-trailhead; **ATA**-Arizona Trail Association; "~" means "approximately"
